Dear Preston Residential associates and friends:

I am delighted to announce the appointment of two talented new members of the Preston community. After a stint at the USC School of Medicine, Martha Jenkins joins Preston as our new Office Manager. And after three years as the Program Advisor for Carolina Productions and Carolina After Dark, Sarah Morgan begins her new position as Preston’s Assistant Principal.

With twenty years of administrative support experience, Martha is a certified paralegal who previously served as the Deputy Clerk of Commission in Clayton County, Georgia. Born in Brooklyn, New York and raised in Columbia, Martha graduated from Dreher High School. She then spent sixteen years in Atlanta, Georgia. When Martha is not working, she enjoys attending church regularly; spending time with her mother, bowling, attending plays, and meeting new people. She is the mother of three great children and the proud grandmother of Julian, age six.

Sarah joined the USC community in 2008. Prior to her time at Carolina Productions, she served as the Assistant Director for Student Activities at Whitter College, just outside Los Angeles. She earned her Bachelor of Arts in English from the University of Tampa and her Master of Science in Higher Education Administration from Florida State University. When Sarah is not at work (which seems quite rare!), she enjoys cooking, traveling, reading, live music and painting.

At your convenience, please take an opportunity to welcome Martha and Sarah to the Preston community. And please join me for a reception in their honor on next Thursday, November 3 at 4:00 P.M. in the Principal’s Lodge.

Thanks very much.
Bobby

Visit Martha in room 104 or reach her at 7-1674 or jenkinsm@mailbox.sc.edu.
Visit Sarah in room 103 or reach her at 7-2415 or morgansb@mailbox.sc.edu.
