**Preston Times**

Preston Residential College seeks to provide a transformative undergraduate experience by fostering purposeful faculty-student interaction, a commitment to servant leadership, and a passion for civic engagement.

**Preston will close**

Wednesday, November 27 at 10 AM, and will re-open on Saturday, November 30 at 12 PM.

Before you leave, don’t forget to take any important documentation or medications with you. You won’t be able to access the building once it closes on Wednesday. Don’t forget to turn off your lights and any unnecessary plugged in items.

There will be Holiday Dinner at Preston Dining this evening. You don’t want to miss the delicious food and Preston family fun.

The University Libraries Award for Undergraduate Research recognizes and rewards excellence in undergraduate research projects that incorporate the use of University Libraries collections, resources, and services. If your course has a research project associated with it, consider adding information about the award to your syllabus.

Projects may originate from a course, independent study, or part of a Magellan grant. Really any project by a USC-Columbia undergraduate student that has incorporated use of library resources qualifies. The top prize for juniors and seniors is $500!

The submission deadline is April 22nd at 10:00 AM, but you can apply now if you’re already working on a fantastic project. More information about the award, including the application procedures, is available at [http://library.sc.edu/award](http://library.sc.edu/award)
